

FRAUD ALERT

Greetings,

My name is Harry Clinton, I want to relocate to your country and having paid for my house already, I am looking for an experienced interior decoration company to help me with the arrangements of decorating and moving into my new house.

It's a three bed room flat and I want to confirm if your company will be able to handle this. Kindly get back to me with confirmation that your company can handle this for further clarifications.

Regards,
Harry Clinton
